CHUB MAINT_FLEET — IN-CHARGE USER GUIDE

Co-sign PMs · Curative Requests · Disposal · Inventory

1. LOGIN

1.1 "Login as" → 👔 In-Charge.
1.2 Choose your Department.
1.3 Type your full name (matches the cloud record).
1.4 Enter your PIN (first time: create one).
1.5 Click "🔓 Unlock & Continue".

2. CO-SIGN PENDING PMs (green card)

2.1 Every PM your technicians submit appears here.
2.2 Click "📋 Job Card" → full checklist + remarks + tech signature + digital seal.
2.3 Read carefully, then either:
- "✅ Approve & Co-sign" (adds your signature)
- "❌ Reject Work" (add a comment explaining why)

2.4 Use "🔄 Refresh list" or "✅ Co-sign all mine" for bulk action.

3. DEPARTMENT INVENTORY (blue card)

3.1 Shows every fridge / freezer / lamp / socket / panel in your department.
3.2 Columns: Tag · Location · Brand/Model · Working? · Owner · Last PM · Next PM · Status.
3.3 Status chips: All / Maintained / Pending / Overdue / Never serviced.
3.4 "➕ Add New Equipment" — register a new unit.
3.5 "📥 Download" (per row) — get that unit's PM cards.

4. RAISE CURATIVE REQUEST (orange card)

4.1 Click "🚨 Raise New Curative Request".
4.2 Category:
- 🧊 Refrigeration → pick equipment from dropdown
- ⚡ Electrical → type location + affected item
- 📝 Other → type location + description

4.3 Choose priority (Low / Medium / High / Critical).
4.4 Assign to a specific technician OR leave blank for auto-assign to department techs.
4.5 Click "🚨 Send Request" — technicians are notified instantly with a sound.

5. VERIFY CURATIVE WORK

5.1 When a technician completes a curative job, it shows as "📸 Awaiting Verification".
5.2 Click "👔 Verify" → review notes + photo.
5.3 Rate quality (🌟/✅/🟡/🔴), add feedback.
5.4 "✅ Approve & Verify" or "❌ Reject — needs redo".

6. DISPOSAL APPROVALS (first level)

6.1 When a technician requests disposal, it appears here.
6.2 Review tag, reason, condition.
6.3 Approve → goes to Assets Manager for FINAL approval.
6.4 Reject → back to technician.

7. DOWNLOADS & QR

7.1 "📚 Download All My Department PMs" — full archive.
7.2 "📊 Download My Department Analysis" — KPI report.
7.3 "🔳 Print All QR Stickers (My Dept)" — bulk stickers.

8. MY ACTIVITIES / TASKS (only if you are Infrastructure in charge)

8.1 The Infra Manager assigns you activities here.
8.2 Delegate to a technician OR handle yourself.
8.3 Same status flow as technician tasks.

9. NOTIFICATIONS

9.1 Bell in header — sound + badge count.
9.2 Click any notification to jump to the related item.

10. PROFILE & SIGNATURE

10.1 Same as technicians — upload signature + .pfx cert.
10.2 Your signature appears on every PM you co-sign.

11. LOGOUT
