CHUB MAINT_FLEET — TECHNICIAN USER GUIDE

Preventive Maintenance · Curative Jobs · Tasks

1. LOGIN

1.1 Open the Maint_Fleet link.
1.2 "Login as" → choose 👷 Technician.
1.3 Choose your name from the dropdown.
1.4 Enter your PIN.
• First time? You'll be asked to create a 4–8 digit PIN.
• Remember it — only the Manager can reset it.
1.5 Click "🔓 Unlock & Continue".

2. YOUR HOME SCREEN

2.1 Your name and role show in the header.
2.2 Work date auto-fills to today (you can change it).
2.3 The refrigerator list shows only YOUR assigned units (or units in your department — the Manager decides).

3. SELECTING EQUIPMENT

3.1 Use "🔎 Status filter" → All / Working / Not Working.
3.2 Use "🔽 Select Refrigerator" to pick a unit.
3.3 The blue banner shows: Tag · Location · Brand · Model · Serial · Next PM date · Owner · In-Charge.

4. FILLING THE PM CHECKLIST (3 cards)

4.1 🧼 Cleaning & Hygiene — tick 5 items (shelves, gaskets, coils, drain, exterior) + remarks + rating.
4.2 🌡️ Temperature & Performance — 5 items + remarks + rating (Within range / Fluctuating / Out of range).

4.3 🚪 Door, Seals & Function — 5 items + remarks + rating.
4.4 Type the Department In-Charge's name in the yellow "👨‍💼 Department In-Charge for this PM" box (it auto-suggests known names).

5. SIGN-OFF (Save to cloud)

5.1 Click "✍️ Sign-off & Save to Database".
5.2 The system checks for duplicates for that date.
5.3 Saves with a secure SHA-256 hash + unique Report ID.
5.4 If internet is down, the record is queued locally.

6. SIGNATURE & DIGITAL CERTIFICATE (top-right button)

6.1 Click "🖊️ Signature & Cert".
6.2 Upload your handwritten signature (PNG, ≤500 KB).
6.3 Upload your .pfx / .p12 certificate + password (this enables PKCS#7 digital signing on PDFs).
6.4 Saved to cloud — auto-loads next login.

7. DOWNLOADS

7.1 "📄 Export Current as PDF" — the form you just filled.
7.2 "📚 Download My PMs (Cloud)" — all your historical PMs.
7.3 "🧹 Download PM Cards by Equipment" — pick one unit + a date range (Last 30/90 days / 12 months / All time).
7.4 "📊 PM Analysis (Period + Dept)" — KPI report.

8. OFFLINE MODE

8.1 Records still save locally if you lose internet.
8.2 Click "🔄 Sync pending (N)" when back online.
8.3 Auto-syncs on reconnect.

9. MY ACTIVITIES / TASKS (blue card)

9.1 The Infra Manager assigns you tasks here.
9.2 Filter tabs: Open / Awaiting Verification / Verified / Rejected.

9.3 Click "🔧 Start Task" → then "✅ Mark Complete".
9.4 Can't do it? Click "⚠️ Escalate".

10. MY CURATIVE JOBS (red card)

10.1 The In-Charge reports broken equipment here.
10.2 "🔧 Take Job" → "✅ Complete" (add photo + notes).
10.3 Can't handle it? "⚠️ Escalate to Manager".
10.4 Download your quarterly curative report (bottom).

11. NOTIFICATIONS (🔔 bell in header)

11.1 Sound plays on every new notification.
11.2 Click to mark as read, or jump to the item.
11.3 "✓ Mark all read" / "🗑️ Clear read".

12. PROFILE PICTURE

12.1 Click your avatar in the header.
12.2 Upload a JPG/PNG (≤500 KB). Shows on job cards.

13. REJECTION WARNING

13.1 If your In-Charge rejects a PM, a red popup appears at next login — read it, redo the work, acknowledge.

14. EQUIPMENT DISPOSAL

14.1 If a unit is dead, click "➖ Remove Refrigerator".
14.2 Fill in reason + condition → Submit.
14.3 Route: In-Charge → Assets Manager → deleted.

15. QR STICKERS

15.1 "🔳 QR Sticker" — single sticker for the selected unit.
15.2 "📄 Print All QR Stickers" — all your units.
15.3 Anyone scanning sees live status + your contact.

16. LOGOUT

16.1 Click "🚪 Logout" when done.
